## 5 YEAR LIMITED ANODIZE FINISH WARRANTY

Extrusions, Inc., warrants for the benefit of the original purchaser only, for project as referenced above and subject to conditions and limitations stated herein that all exposed anodized aluminum will be free of defects that would cause it to peel, crack, chip, blister or split for a period of **Five (5) years from date of invoice** and is subject to the terms, conditions and limitation stated in this warranty.

It is non-transferable and non-assignable, and **Extrusions, Inc.**, precludes the original purchaser from claiming, representing or implying that this warranty extends to or is available to anyone other than the original purchaser. Violation of this term by the original purchaser, its agents or representatives shall release **Extrusions, Inc.**, from the obligations of this warranty.

If any covered anodized finish is found to be defective under this warranty, **Extrusions, Inc.**, reserves the right to inspect the anodized finish in question and determine the cause of the defect. **Extrusions, Inc.**, will, as it deems advisable, repair or make a pro-rated refund of the original cost of the anodized finish as indicate below:

<b>YEARS</b>	<b>REFUND</b>
1st	100%
2 <sup>nd</sup>	80%
3rd	60%
4 <sup>th</sup>	40%
5 <sup>th</sup>	20%

Warranty does not include the cost of removal of affected exposed anodized aluminum or the cost to replace aluminum or sections thereof.

This warranty is subject to conditions as follows:

This warranty will be in effect only if a systematic maintenance program is instituted, is logged and dated in writing, to prevent build-up of harmful deposits on the anodized finish. The exposed surfaces must be cleaned annually in accordance with AAMA 609.1-85 so as to prevent the accumulation of contaminates.

This warranty covers colors designated as Light Bronze to Black & Clear, designated as an exterior finish. Gradual color change due to weathering and surface spills from liquids, powders, dust, etc. will not be covered under this warranty.

This warranty will not cover damage to the exposed anodized aluminum due to physical impact or cracking and crazing from bending or roll-forming, or punching, drilling or riveting or any damaged caused by erection of anodized parts in question.

This warranty will not cover damage due to exposure from corrosive atmosphere or or precipitant or salt air, or others such as window washing or brick cleaning, etc.

This warranty does not cover damage from abuse, abrasion, impact or other physical force or acts of nature classified as catastrophic.

This warranty will not cover aluminum parts that the customer supplied that are corroded or have been subjected to any corrosion prior to anodizing. The anodizing process will not cover up scratches, pitting, corrosion or problems caused by non-anodizing quality aluminum and bad alloys.

This warranty will not cover damage due to extreme heat.

Claims must be made within Thirty (30) days from the initial discovery of the questionable defective finish and before any alteration and repair have taken place.

Except as set forth herein **Extrusions, Inc.**, has no other warranty and disclaims any implied warranties including any implied warranty of merchantability or fitness for a particular purpose or use, with respect to the exposed anodized aluminum.

No terms or condition other than those stated herein, and no agreement or understanding, oral or written, in any way purporting to modify this warranty shall be binding on **Extrusions, Inc.**, unless made in writing and signed by it's authorized representative.

**The warranty becomes effective only after all invoices associated with the above named job have been paid in full.**
